RE: Mid-Year Report (1/1/09-6/30/09)

To Whom It May Concern:

We received the letter from the Commission regarding the above referenced report. Please see below for our complete response.

The debts previously reported to RST Marketing and Washington Intelligence Bureau on the 2008 Year End Report have been satisfied and therefore were not included on Schedule D of this report.

All expenditures on Schedule B, including "Creative Development", "Direct Mail Fundraising", "Mailshop", and "Postage" are for the benefit of our committee and not any other federal candidate or committee. We are aware of the difference and any expenditures that are for the benefit of another federal entity will be reflected on Line 23 on all of our reports.

Thank you for the opportunity to respond, we trust that this will complete the public record.

Sincerely,

The Madison Project
